1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I'm a customer.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The purpose Duke gives to raise the rates is bogus because there is no man made global warming; therefore there should not be any concern about carbon levels. Duke should instead redirect their time and money into educating the EPA and the rest of us concerning the hidden agenda of Agenda 21.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)
